

**HOUSE**

**AMENDMENT NO. \_\_\_\_\_**

**Offered by**

**of**

1 AMEND House Bill No. 1093, Page 1, Section A, Line 2, by  
2 inserting after all of said line the following:

3 "261.130. For purposes of this chapter, "organic" means an  
4 ecological production management system that promotes and  
5 enhances biodiversity, biological cycles, and soil biological  
6 activity based on the minimal use of off-farm inputs and on  
7 management practices that restore, maintain, or enhance  
8 ecological harmony and with the primary goal of optimizing the  
9 health and productivity of interdependent communities of soil  
10 life, plants, animals, and persons."; and  
11

12 Further amend said title, enacting clause and intersectional  
13 references accordingly.
